Comparison with previous year	7
CO ₂ consumption summary	9
Session information	10

Global summary

The number of working days is 202 with an average working time of 10.08 hours per day, which corresponds to a total of 474 overtime hours compared to legal time (141 overtime minutes every day on average).

In addition, I had to work during 95 non working days, for a total number of hours equal to 224 hours, corresponding to 2.36 hours per day worked outside of legal working days.

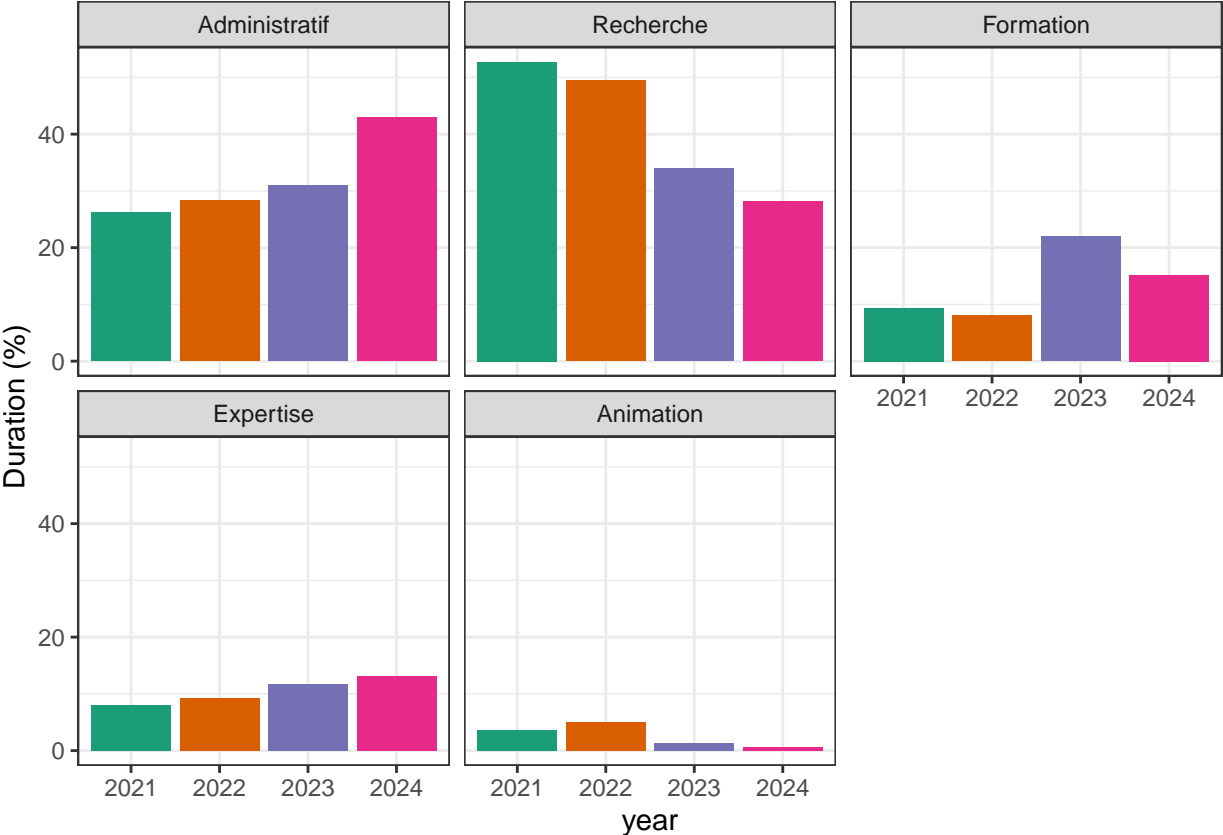

Evolution along the year

Comparison with previous year

CO₂ consumption summary

My CO₂ consumption at work is divided into four categories:

- usage of the Genotoul-bioinfo cluster (not available in 2021)
- travels by train
- travels by car
- invitation of guests (the consumption for this category is split between all the people inviting the guest)
